I. Google Scholar HAAGA-HELIAN verkossa

Kun käytät [Google Scholaria](#) koulun koneilla, hakutuloksissa on suoraan linkki elektroniseen kokotekstiin, mikäli se on saatavissa. Hakutuloksen kohdalla näkyy linkki **Fulltext: Haaga-Helia** (kts. kuva). Google Scholarin käytöstä kotikoneella on kerrottu kohdassa II.

1. Tee haluamasi haku ja klikkaa linkkiä **Fulltext: Haaga-Helia**.

The screenshot shows a Google Scholar search for "IT management". The search bar contains "IT management" and the search button is visible. Below the search bar, it says "Scholar" and "Sivu 10 noin 42 700 tuloksesta (0,05 sekuntia)". There is a dropdown menu for "Mikä tahansa päiväys".

The first result is: **Review: Information technology and organizational performance: An integrative model of IT business value**. To the right of the title, there is a red circle around the text "psu.edu [PDF] Fulltext: Haaga-Helia".

Below the title, the author information is: "N Melville, K Kraemer, V Gurbaxani - MIS quarterly, 2004 - dl.acm.org".

There are also other search results visible, such as "Responsibility for IT: a grey area of management" and "Information systems innovation and diffusion: issues and directions".

2. Klikkaa "Go-näppäintä. Saat aineiston luettavaksesi.

The screenshot shows the ExLibris search results for the article. The header includes the ExLibris logo and the tagline "The bridge to knowledge". Below the header, there is a red bar with "ExLibris SFX".

The search results show the following information:

- Nimeke:** Review: Information technology and organizational performance: An integrative model of IT business value
- Julkaisu:** MIS Quarterly [0276-7783] Melville Vuosi:2004 Vol:28 No:2 Sivuu:283

Below this information, there is a section for "Saatuustiedot". Underneath, there are two options for "Elektroninen kokotekstiversio":

- saatavilla tietokannassa **EBSCOhost Business Source Elite**. This option has a "GO" button with a red arrow pointing to it.
- saatavilla tietokannassa **ProQuest ABI/INFORM Complete New Platform**. This option also has a "GO" button.

Both options show the following details: Year: 2004, Volume: 28, Issue: 2, Start Page: 283.

The screenshot shows the full text page of the article. The page is titled "MIS Quarterly" and "MISQ Review". The main title of the article is "REVIEW: INFORMATION TECHNOLOGY AND ORGANIZATIONAL PERFORMANCE: AN INTEGRATIVE MODEL OF IT BUSINESS VALUE".

The author information is: "By: Nigel Melville, Wallace E. Carroll School of Management, Boston College, Chestnut Hill, MA 02467, U.S.A.".

The abstract is: "Despite the importance to researchers, managers, and policy makers of how information technology (IT) contributes to organizational performance."

On the left side of the page, there is a sidebar with a "Detailed Record" section. It includes a "PDF Full Text" button, the source "MIS Quarterly", and the date "June 1, 2004". There is also a "Full Text Contents" section with a table of contents:
