

NB a student whose study right is still valid but about to expire, should apply for an **extension** of study time, application in [MyNet](#). Applying for renewed right to study and receiving an approved decision is **not automatic**. A student whose study right has expired but has remaining study right, can apply for the right to **resume** studies, application is found [here](#).

Students whose study right have expired and have **no remaining study right left**, can apply for a renewed right to study from the Programme Director. The application is denied, if the student apply with this form even though the student has remaining study right. **This form is for students whose study right has begun after 1 August 2015**. Students whose study right has begun before 1 August 2015 apply for a renewed right to study through the [open path](#), if students do not have remaining study right.

The student needs to have a clear plan on how and when to finish her/his studies before filling in the application.

An applicant may apply to the Collegiate body of the UAS in writing for rectification of a decision concerning admission within 14 days of receiving the notification of the decision. (Universities of Applied Sciences Act 932/2014).

The application form must be submitted on 1 June at the latest if the student wants the study time to start 1 August. **NB** the application will close after this and open again on **the first business day** of the Autumn term (1.8.-31.12.). The application form must be submitted on 1 December at the latest if the student wants the study time to start 1 January. **NB** the application will close after this and open again **on the first business day** of the Spring term (1.1.-31.7.).

The applications are processed in three weeks (taking into account public holidays).

NB if you are obliged to pay the tuition fee, please attach a document to your application that shows us you are exempted from paying tuition fees or attach a receipt of the payment to the application.

If there is any problems, please contact [Study Services](#).
