

Project Management Championship 2023

+ Haaga-Helia

PMC is a international project management competition hosted by international project management association, IPMA and

it is too, a 3 credit course - operated by Haaga-Helia /Pekka Kamaja, PhD.

It is meant for students under 35-years that aim to complete:

- **Bachelor's / Master's degree at a University**
- **Bachelor's / Master's degree at a University of Applied Sciences**

How to participate?

Participation key facts

- The initial qualification at the school's own pace before 2.4.2023, which is
- A multiple choice test online in teams
- 3-4 persons in each team

About the PMC course at HH:

- Register on Peppi (course platform) and inform your teacher by e-mail => get access on Moodle
- Find a team (if necessary, teacher will help you)
- Participate on coaching session and learn basics
- Prepare for the qualification test =>

The six best teams qualify for the national final.

National finals dates:

- Part 1 will be held **online** on 21th April.
- Part 2 will be held **on-site in Espoo** on 5th May.

Both part 1 and 2 are mandatory for teams competing in the finals.

Why participate?

The qualifying test is used at Haaga-Helia as a project management course— find the course PMC 2023 worth 3 cr. (+ finalists will get a bonus)

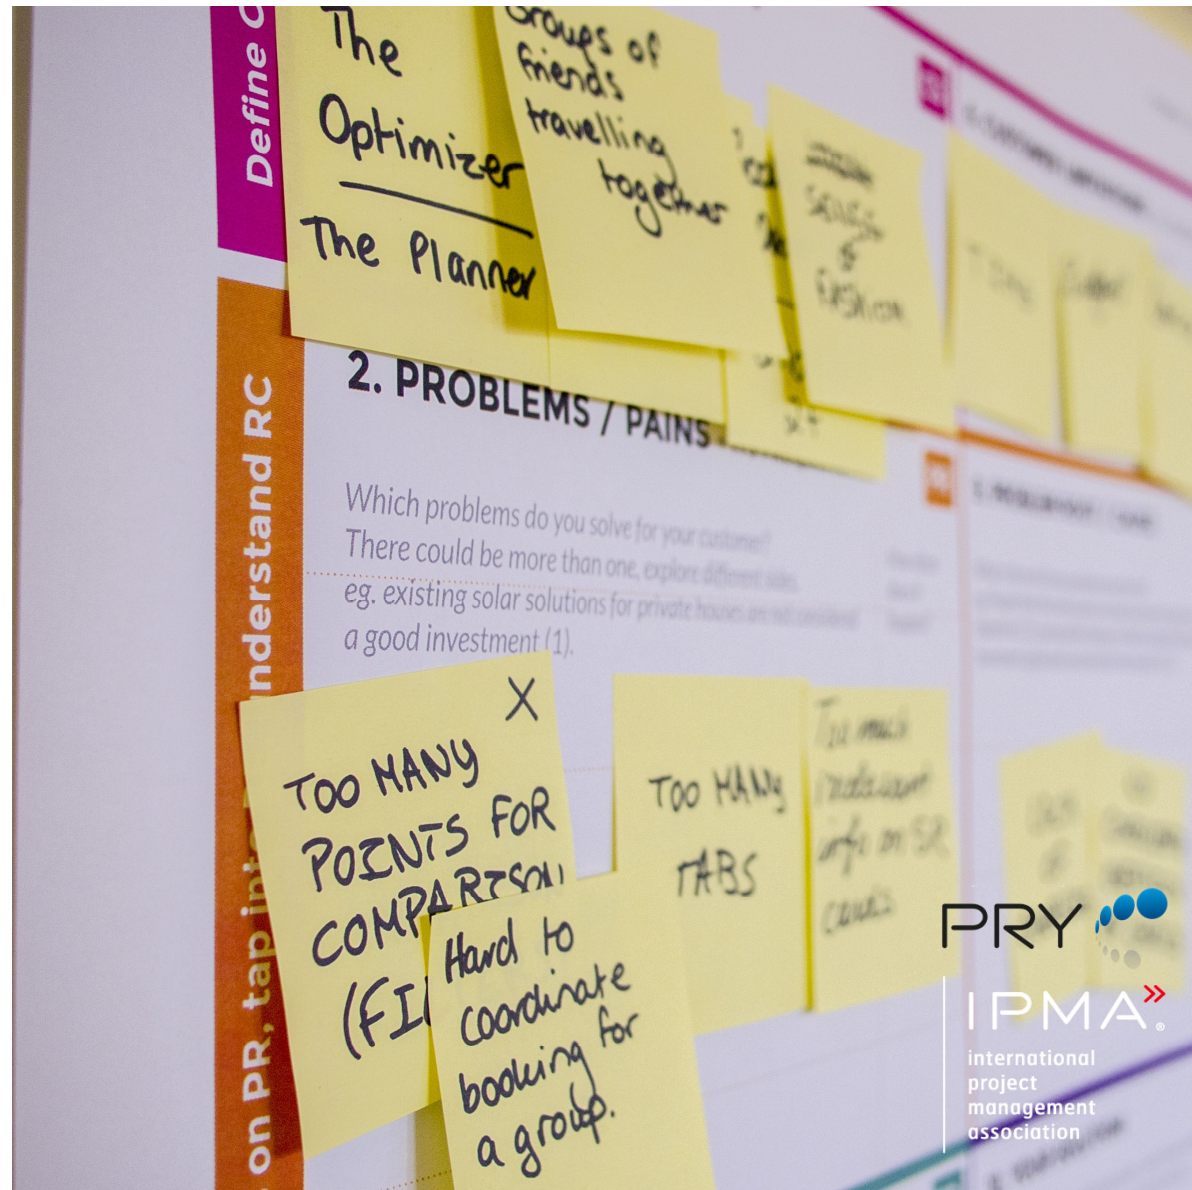

Experience for students for future working life

Opportunity to connect with like-minded people in Finland and internationally

Active participation in professional networking and case study events are beneficial in student's CV

Social media visibility in professional networks (PRY and IPMA YC post actively on LinkedIn and other platforms)

Article of national and international finals highlighting the teams' success in the Project Professionals magazine (Projektimaailma-lehti)
