

2024 Advance Assignment

The advance assignment for the Degree Programme in Sports Coaching and Management comprises two inquiries. The first one focuses on coaching experience and the second focuses on athletic career. Note that the advance assignment is a part of the entrance examination and carries a total of 20 points.

It's crucial to verify the accuracy of the information provided in the inquiry by attaching the necessary certificates. Any information presented without proper certificates will not be considered. Please ensure to include contact information for each organization listed.

1. Coaching experience - *attach copies of certificates to the application*

- Team & Sport
- Level (age group, level of competition)
- Seasons (the most recent first) and duration in months
- Contact person (name and contact details)

2. Athletic career (list experience only U16 and over / Level A) - *attach copies of certificates to the application*

- Team & Sport
- Level (age group, level of competition)
- Seasons (the most recent first) and duration in months
- Contact person (name and contact details)

Attach your Advance assignment and Certificates to your application by 24 January 2024 16.00 Finnish time. If you have not submitted your advance assignment by the deadline, you cannot attend the online interview.
